

### **Institutional Development Plan**

IPS Academy College of Law Sanwer is dedicated to academic excellence and professional development. Institute is committed to continuous growth in the legal field. The ever-evolving landscape of education and industry demands that we adapt, expand, and refine our approach to learning.

Our future plans focus on academic enhancement, research excellence, infrastructure development and various collaborations to ensure that we remain at the forefront of education.

To achieve all such, we are implementing the following: –

- Transparent, updated and relevant academic and administrative information
- Facilitate students and faculty with more online resources
- Offer admission and academic support digitally
- Strengthen connection with legal industry
- Create regular and active mood court events.
- Address feedback from student and faculty
- Regularly update academic and administrative content
- Monitor performance and security
- Digital outreach and promotion
- Performance metrics and evaluation
